

CONSERVATIVE REPUBLICANS OF TEXAS

Dear Republican Voter,

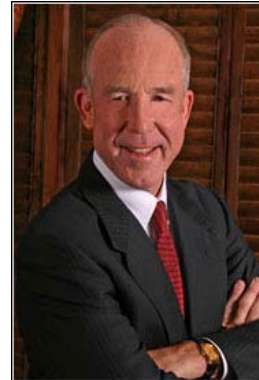

Conservative Republicans of Texas is pleased to announce the endorsement of **Jose Aliseda**, Republican candidate for State Representative in Texas House District 35, in the upcoming March Primary Election.

Since 1992, I have been pleased to present Texas voters with a listing of the best qualified, most conservative candidates in every election. Our organization exists to promote and support candidates who also believe in the values and ideals that have helped make Texas into the strongest State in the Union: free enterprise, traditional family values, the sanctity of all human life, and fiscal discipline in all levels of government.

In these areas, **Jose Aliseda** stands apart as a true conservative champion, who will serve District 35 with distinction in the State Legislature. **Jose Aliseda** advocates responsible fiscal policies which limit the growth of state government, promote free enterprise and stimulate businesses to create jobs in this tough economic environment. In important decisions regarding our conservative family and social values, he can be trusted to make the right decisions to impact generations to come. And with tough decisions involving state redistricting after the 2010 census, I know that we can count on him to stand up and solidly support a fair reapportionment that protects the large Republican majority in our State.

Please remember that Early Voting starts on Tuesday, February 16th and runs through Friday, February 26th. Election Day is Tuesday, March 2nd. For a complete list of early voting locations and times in your area, please reference the following information from your County Elections Department.

"Since 1992, I have been pleased to present voters a listing of the best qualified, most conservative candidates.

In this March 2nd Primary election, we present our recommendation of the best qualified, most conservative candidate in the race."

SECURE DONATION

District & County Clerk - Dorairene Garza

Our Texas Legislature faces a difficult fight to keep Texas strong against the spread of liberalism and fiscal waste from Washington D.C. and the likes of Obama, Pelosi and Reid. We need more outstanding men and women like **Jose Aliseda** to go to Austin and protect our families and jobs from the destructive forces of socialism. Your vote in this race is more crucial than ever!

It only takes a few minutes to avail yourself of the luxury of early voting, as opposed to longer lines on Election Day. Please take time to go vote in support of **Jose Aliseda** , and urge your family and friends to join you.

With much appreciation, I remain, as always,

Sincerely yours,
